**Significant and unusual exclusions and limitations (continued)**

Third Party cover whilst you are driving another vehicle is not generally available except when:

(i) the vehicle does not belong to you and is not hired to you under a hire purchase agreement and  
(ii) there is no other insurance policy which insures you and  
(iii) the vehicle is not being driven outside Great Britain, Northern Ireland, the Republic of Ireland, the Isle of Man or the Channel Islands and  
(iv) the vehicle is not being driven to secure its release following seizure by, or on behalf of, any government or public authority.  
(See Section A: Third Party Liability of the Policy.)

| If any part or accessory of your vehicle is not available, the most we will pay will be the cost shown in the manufacturer’s last UK price list (plus the reasonable fitting costs). We may make a monetary payment on this basis if such a part cannot be obtained. If your vehicle is three years old or more, or if it has been imported, we may decide to repair it with parts which have not been made by your vehicle’s manufacturer but are of a similar standard. (See Conditions of the Policy.)  
| Loss or damage caused by theft will not be covered if you leave the ignition keys in or on the vehicle whilst it is unoccupied.  
(See Section C: Insured Vehicle – Fire or Theft.)  
| Loss or damage caused by theft will not be covered if the vehicle is driven or used without your permission by any member of your family or household, unless the person is reported to the police for taking the vehicle without your consent. (See Section C: Insured Vehicle – Fire or Theft.)  
| Loss or damage caused by theft or attempted theft will not be covered if you have told us that your vehicle is fitted with an anti-theft tracking device and, at the time of the incident  
(i) the device is not active/armed and in full working order or  
(ii) the annual network subscription for the maintenance contract on the device is not current.  
(See Section C: Insured Vehicle – Fire or Theft.)  
| The cost of providing an Enhanced Courtesy Car (where cover is operative) will not be covered if your car is immobilised unless we agree that your car is damaged beyond cost effective repair. |

Motor Insurance Database

Your policy details will be added to the Motor Insurance Database (MID), managed by the Motor Insurers’ Bureau (MIB). The MID and the data stored on it may be used by certain bodies permitted by law including, but not limited to, the DVLA, DVANI, Insurance Fraud Bureau and the Police for the purposes of:

(i) Electronic Vehicle Licensing and Continuous Insurance Enforcement
(ii) law enforcement
(iii) preventing and detecting crime and the apprehension and/or prosecution of offenders (including but not limited to establishing whether a driver’s use of the vehicle is likely to be adequately covered by a motor insurance policy)
(iv) the provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

Fraud prevention, detection and claims history

In order to prevent and detect fraud we may at any time:

- share information about you with other organisations and public bodies including the Police
- check and/or file your details with fraud prevention agencies and databases and, if you give us false or inaccurate information and we suspect fraud, we will record this. We and other organisations may also search these agencies and databases to:
  - help make decisions about the provision and administration of insurance, credit and related services for you and members of your household
  - trace debtors or beneficiaries, recover debt, prevent fraud and to manage your accounts or insurance policies
  - check your identity to prevent money laundering, unless you furnish us with other satisfactory proof of identity
- undertake credit searches and additional fraud searches.

We can supply on request further details of the databases we access or contribute to.
How we use credit score to calculate your premium

To help with the premium calculation for, and the underwriting of, your insurance product, whether you are renewing or requesting a new quotation, we will obtain your credit score from Credit Reference Agencies in a way that does not adversely affect your credit file or your future ability to obtain credit. The same credit score will be used for any amendments made to the policy throughout its term until its next renewal date.

Claims history

- Under the conditions of your policy you must tell us about any insurance-related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.
- We may search these databases when you apply for insurance, in the event of any incident or claim, or at renewal, to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

Law applicable to the contract

The law applicable to your place of residence (or in the case of a business to the place where the principal office is situated) in the United Kingdom, the Isle of Man or the Channel Islands will apply to the business relationship between us and any products or services we provide. Any terms and conditions of your policy will be supplied in English and we will communicate with you in English.

Charges for duplicate documents and making changes to your policy

If you have bought a new car, want to add another driver or wish to make any other change to your policy, it’s easily done through our Customer Contact Centre on 08457 46 46 46.

In order to cover our administration costs we will apply a fee of £15.00. The administration fee will be in addition to any increase in premium that may occur. The main types of change for which we will charge an administration fee are:
- Changing your vehicle.
- Adding a temporary additional driver.
- Adding or removing drivers.
- Requesting replacement documents (including certificates).
- Changing the level of your cover.
