Introduction

Welcome to UK and European breakdown cover

This Motor Breakdown and accident recovery service is administered on behalf of Co-op Insurance by AXA Assistance (UK) Limited.

Keep this booklet somewhere safe, because it contains useful telephone numbers and important information about what you're covered for.

You'll also find full details about what to do in the event of an accident or breakdown - just follow the simple procedures and leave everything else to us.

Obviously, we hope you won't have the misfortune to need us but, if you do, rest assured we'll do everything we can to get you back on the road as quickly as possible.

What to do if you are involved in a motor accident

To help us process accident claims with minimal delay, it is important that you capture as much information as possible, including details of other driver(s), witnesses and any police that attended the scene.

When you call us to report a claim we will ask for the following information:

- the motor insurance policy number for the vehicle involved in the accident, together with the name and address of the policyholder
- details of the claim, including the date of the incident, how the incident occurred, the damage caused, property lost and any injuries sustained
- details of the other party involved, including vehicle registration number, name and address of the driver and their insurance details.

On receipt of these details, we will provide a fast and fair claims service, including:

- reassurance and advice on the steps involved in making a claim
- details of your nearest Co-op Insurance approved repairer
- confirmation of what you are covered for and what you will need to pay.

We will aim to:

- respond to all claim notifications within 24 hours of receipt
- respond to all correspondence within five working days
- issue settlement cheques within 24 hours of receiving all necessary documentation.

If the Insured Vehicle is immobile or unsafe to drive after an accident, call the Co-op Insurance emergency helpline on

0800 092 9069

Please refer to your motor car policy booklet and Policy Details for full details of cover.

Accident recovery service

If the **Insured Vehicle** is immobile or unsafe to drive due to insured loss or damage, call the Co-op Insurance emergency helpline. The service also operates in those countries listed under the Geographical Limits specified in the General Exclusions of this Policy, for the period shown in the Policy Details against "Foreign Use".

UK accident recovery

We will arrange for the recovery of the **Insured Vehicle** to a suitable repairer (usually one of our approved repairers near to **Your Home** or destination) or, at your request, to **Your Home**, if nearer.

If the repairer cannot accept the vehicle at the time of recovery, it will be stored for up to 48 hours.

The driver and up to eight passengers will be taken in one journey to **Your Home** or to the planned destination. Alternatively, we will arrange and pay:

- (i) up to £80 per person for one night's accommodation (bed and breakfast only) subject to a maximum cost of £500, or
- (ii) for a temporary hire vehicle up to 1100cc for a maximum of 24 hours.

Note: We will choose the most appropriate option.

European accident recovery

We will arrange for the recovery of the **Insured Vehicle** to a suitable repairer.

If the **Insured Vehicle** is

- (i) immobilised in Europe and cannot be returned in time for your return home, or

- (ii) stolen and not recovered until after your return home, we'll bring the driver and up to eight passengers back to the UK.

We will also arrange and pay for either:

- (i) the return of the **Insured Vehicle** to **Your Home** or a suitable repairer in the UK, or
- (ii) a single rail/sea ticket (or an air ticket if the rail/sea trip would take more than 12 hours) for you or your nominated driver to travel from the UK to collect the **Insured Vehicle** once it has been repaired or found.

Note: We will choose the most appropriate option.

If applicable, we will arrange and pay for the storage of the **Insured Vehicle** pending its repair, repatriation or scrapping. We will not pay more than £100 for storage. Where the estimated repatriation cost exceeds the UK market value of the **Insured Vehicle** we will not pay more than the cost of scrapping the **Insured Vehicle** and any customs duty imposed.

Please note that the onward transportation of any animal in the **Insured Vehicle** will be at our discretion and entirely at your own risk.

2. We cannot accept responsibility for the cost or the quality of repairs when the **Insured Vehicle** is repaired in any garage to which the **Insured Vehicle** is taken.

They will arrange for a recovery vehicle to tow the **Insured Vehicle** off the motorway either to a local garage or perhaps to a motorway service station, without reference to us. You may be required to pay for this assistance on the spot, in which case obtain a receipt and we will reimburse you. Alternatively, once the **Insured Vehicle** has been towed to a place of safety call the European Breakdown Assistance number on page 4 and the recovery agent may accept our guarantee of payment. At this stage we will also arrange any other assistance you may require.

Only by calling the European Breakdown Assistance numbers will you be able to claim for the services provided.
